3. We often focus on \_\_\_\_\_ rather than \_\_\_\_\_. Appealing to \_\_\_\_\_ first is \_\_\_\_\_ .
4. When the \_\_\_\_\_ of \_\_\_\_\_ are \_\_\_\_\_, keep your \_\_\_\_\_ focused on \_\_\_\_\_. He will \_\_\_\_\_ you!
5. Remember, our \_\_\_\_\_ are a picture of our \_\_\_\_\_. Most are far more concerned about their \_\_\_\_\_ problems than their \_\_\_\_\_ problems.
